

INGOMAR THEATRE

Not since "Humoresque" has a production conspicuously revealing the childhood of the slums been attempted, with the exception of Real art's "The Plaything of Broadway," starring Justine Johnstone. Many of the most effective scenes of the play are laid on New York's lower East Side, and dozens of children ranging from babies of a few months to half grown boys are shown in these scenes. One group of five, six, seven, eight, nine, and ten, respectively, each a distinctive type, was obtained.

The lovable little character of Jimmie is interpreted by Raymond Hewitt. The part affords some splendid scenes with the star, Miss Justine Johnstone, and the lead, Cranford Kent, who portrays the role of the ascetic Dr. Jennings.

The picture comes to the Ingomar Theater today.

ALEXANDRIA ASTROLOGER ON HARDING'S HOROSCOPE

That we have made no mistake in the choice of our President, let the stars give evidence.

Born November 2nd, 1865, we find in the first house, ascendant, Scorpio, the Sun, Mercury, Saturn and Mars. Next to them are Venus on one side and Jupiter on the other, supporting all the good effects.

Planets in the first house brightens the life and stabilizes the nature from early childhood, making him cheerful companionable, ambitious to succeed in life, courageous in overcoming obstacles, upright and honest in dealings. Mercury makes the person quick-witted and sharp. Saturn assures success through patience, persistence, self control and restraint, with wonderful capacity for work. Never seem to tire and never give up, no matter what the obstacles. Have infinite confidence in ability to accomplish that which is undertaken. Mars impresses energy. Venus in Libra insures an appreciative audience whenever appearing in public. Strengthens the love nature, calls out the artistic side making fond of art, music, poetry, increases popularity, making social intercourse smooth, so that many friends are made and kept.

Jupiter in second house, gives great financial prosperity. Sagittarius gives success, a broad humane and philosophical mind, a reverent and religious disposition, rising to the top and becoming leaders in church or state, particularly in governmental offices.

Continuing this investigation we find the planets on election day, November 2nd, 1920, in the progressed horoscope, the same good aspects. The Sun with Venus, brings honor and social preferment. Mercury, a period of unusual activity, he will further his ambitions and succeed in business by new ventures. Saturn will cause him to be discharged his duties in a most effective, systematic and tactful manner. He will have greater opportunities for advancement.

IN THE SPRING TAKE GUDÉ'S PEPTO-MANGAN

Restores the Quality of Blood, Drives Out Impurities, Builds Up the Red Corpuscles.

IMPROVES THE COMPLEXION

A Standby Among Physicians For 30 Years. In Tablet as Well as Liquid Form

You notice complexions in the Spring. People who have plenty of rich red blood have lips a deep, rosy red, eyes bright and clear. Good complexions are based on the solid foundation of good blood, with plenty of red corpuscles. When blood becomes clogged with impurities, when the red corpuscles are not absorbing enough oxygen from the lungs and distributing it to the cells throughout the body good complexions fade. Not only that, but you feel tired and exhausted all the time. Your shoulders droop and you lounge around and lean against anything handy. You lack energy because your blood is weak and thin—not enough red corpuscles.

People call it "Spring Fever." Call it what you will, it is bad blood. It weakens powers of resistance.

If you feel that way you should take that exceptionally good blood tonic, Gudé's Pepto-Mangan, for a while. It will make rich red blood! For thirty years it has been a standby among physicians. It will help you to build up this Spring. All that comes from having good blood with plenty of red corpuscles will come to you.

When you go to your drugist's be sure to get the genuine Gudé's Pepto-Mangan with the name "Gudé's Pepto-Mangan" on the package. It is sold in both liquid and tablet form. Both have the same medicinal value.

that before will be able to assume the added responsibilities with credit. He will be benefitted by his associates drawn to him with full confidence and have deep insight into all problems of life.

Jupiter most fortunate, financial prosperity and undertaking succeeds. Will gain credit with philanthropist or charitable undertakings, will enjoy much social success, and domestic happiness. Ambitions that seemed for years impossible of realization, are likely to be gratified.

Neptune gives a caution; liable to lose by speculation in large companies where the stock is watered.

TRIAL OF CLARA SMITH HAMON

Ardmore, Okla., March 14.—The state will rest its case tomorrow in the trial of Clara Smith Hamon, charged with the murder of Jake L. Hamon, Republican National Committeeman, from Oklahoma. Four of the remaining chief witnesses will be summoned to the stand. They are Mrs. Jake L. Hamon, widow; Frank L. Ketch, Hamon's business manager; Errett Dunlap, close business associate of Hamon, and Sam Blair, newspaper man, who is alleged to have obtained in Mexico last December Clara Hamon's story of Hamon's death.

Efforts on the part of State's attorneys to establish that Clara Hamon is now 29 years old instead of 27, as has been declared by the defendant and touched upon in evidence already introduced, became known yesterday. Much importance is attached to this issue due to the fact that the defense counsel and the defendant have laid stress on the youth of the defendant at the time she met

Hamon. The State's evidence will tend to prove that at the time she became acquainted with Hamon, she was 19, the State's Attorney said.

Dr. Bowie Will Remain With Richmond Church

Richmond, March 14.—Rev. W. Russell Bowie, D. D., rector of the St. Paul's Church, yesterday decided that he would remain in Richmond and reject the call to St. Mark's in Minneapolis.

Dr. Bowie has had the matter under consideration for some time and it was thought that he looked upon the Minnesota call favorably. It was only after the congregation had expressed their regard for him in many ways that he decided to stay.

As Old as His Arteries

The doctor can't help it

He knows that the man has hard

arteries, high blood

pressure, and the

beginning of kidney

and heart disease, due to long neglected, chronic

constipation.

It isn't the other man's fault—directly. He never

realized that constipation was a serious thing.

Year in and year out he has taken pills, castor oil,

mineral waters and salts—and now he wonders

why his health is so bad.

Nujol is for just such cases as this.

It works on an entirely new principle.

Instead of forcing or irritating the system, it simply softens the

food waste. This enables the many tiny muscles in the walls of the

intestines, contracting and expanding in their normal way, to

squeeze the food waste along so that it passes naturally out of the

system.

Nujol thus prevents constipation because it helps Nature maintain

easy, thorough bowel movements at regular intervals—the

healthiest habit in the world.

Nujol is absolutely harmless and pleasant to take. Try it.

Nujol is sold by all druggists in sealed bottles only, bearing Nujol

trade-mark. Write Nujol Laboratories, Standard Oil Co. (New Jersey),

50 Broadway, New York, for booklet, "Thirty Feet of Danger".
